**Incident Summary:** On 11/09/2022, sometime before 6:15am, an unidentified individual was in the roadway, I-71 southbound at St Rt 104. It appears the individual was struck by an unknown vehicle/driver and knocked to the ground. He or she was then struck at least one additional time by an unknown vehicle/driver while lying in the roadway. The individual's body was so badly damaged that those passing by could not tell that it was a person that was involved. At 11:03am, a caller reported a possible individual down on the side of the road. Police and Medics responded and the unidentified person was pronounced at 11:11am.

The identity of the individual has yet to be determined by the Franklin County Coroner's Office. This is Columbus' 81st traffic fatality in 2022, and the incident remains under investigation.

\*\*\*\*Updated - John Doe has been identified as Robert Mattingly\*\*\*\*
